

U.S. App. No. 09/854,764Atty. Docket No.: 155-01**I. REMARKS****A. Interview**

On June 27, 2007, Applicant's counsel, Michael N. Cohen, conducted a telephonic interview with examiner Justin Misleh to discuss the pending office action. Applicant's counsel discussed the "remote control" or the "telecontrol unit" of the present invention and the elements of the remote control limitation. Counsel indicated that the claim element of "remote control" would be further clarified so that the claims may be in condition for allowance. Examiner agreed that further clarification of the "remote control" or "telecontrol unit" may place the application in condition for allowance. Applicant and counsel respectfully appreciates Examiner Misleh's time for the interview.

B. Claims Status Summary:

Claims 1 - 48 are pending in the application.

Claims 1- 48 were rejected under 35 U.S.C. 103 over Viney et al. (US 6,034,722), in view of Tyler (US 5,184,521). The prior section 102 rejection was withdrawn by the examiner.

Applicant notes, with appreciation, the Final Office Action's notification that no further informalities and objections remain for the specification and the claims.
